## **ATTACHMENT B COMPENSATION**

A) For services provided under Attachment A, M&E's fee under this proposal is on a time-charge plus expense basis, payable monthly as charges accrue and would be the sum of the following:

1. Direct labor salaries times a multiplier of 3.2

Direct labor salaries are wages paid to personnel for time chargeable to the Project.

2. Non-salary expenses times a multiplier of 1.1

Non-salary expenses include such typical expenses as cost of: transportation and subsistence; instrumentation usage or rental charges; long-distance telephone and telegraph; printing and reproduction; computer time and programming costs; identifiable supplies; outside consultants charges; subcontracts for services such as surveys, subsurface investigations, and testing by commercial laboratories; and charges by reviewing authorities.

3. For services under Attachment A, a not-to-exceed amount of \$12,000.00 is established. This figure will not be exceeded without prior approval of the client.
